

Your enterprise will be exposed to multiple risks

ATLAS RISK MANAGEMENT

IN THE CURRENT **GLOBALIZED MARKET** WITH ITS VIRTUALLY UNRESTRICTED CAPITAL FLOWS, **YOUR ENTERPRISE WILL BE EXPOSED TO MULTIPLE RISKS**. THAT IS WHY **RISK MANAGEMENT**, NOW MORE THAN EVER, IS A VITAL FACTOR IN GETTING YOUR ORGANIZATION **WHERE YOU WANT IT TO BE**.

The Atlas team includes risk management specialists who can assist you in the process of :

- Identifying and analyzing the market, credit or operational risks that apply to your enterprise (risk assessment);
- Evaluation and ranking of the risks;
- Evaluation of insurances;
- Taking the appropriate measures to avoid risks or reduce their negative effects.
- Tender the complete insurance portfolio and reduce overall insurance costs.

Atlas draws from a rich experience in this field, acquired by the handling of numerous cases in the local medical, transport, logistics, marine and non-profit sector.

OUR STRATEGIES

Our risk mitigating strategies include:

- Communicating the risks;
- Transferring the risk to another party (insurance or re-insurance company);
- Avoiding the risk by implementing certain measures;

- Reducing the negative effect of the risk;
- Accepting some or all of the consequences of a particular risk.
